WHISKY OF THE MONTH

Filey Bay Yorkshire Day 2024

Yorkshire Single Malt Whisky abv. 55%

Bottled at 55% and with only 1500 bottles available, Yorkshire Day is the most exclusive annual Special Release from Filey Bay.

Whisky Director Joe spends months in the warehouse considering each year's release and trying a number of their rarest casks, before he gets to the profile he's searching for. This year, it's all about layers.

Four different cask types have been delicately layered together. STR (Shaved, Toasted & Recharred) Red Wine casks take the lead, forming a fruity base that's soft & elegant. Ex-Madeira casks add waves of peaches & cream mid-palate, with ex-Sherry and New Oak casks bringing richness, complexity and balance.
